TALLIS AMOS GROUP

Tracing roots back to 1882, Tallis Amos Group (TAG) has a long heritage of supporting land based customers. With over 55 years of history with John Deere, they are one of the original UK dealers appointed in 1966.

Today TAG operates across The West Midlands, Wales and the Costswolds and have grown to be one of the largest John Deere dealerships in the UK. TAG is a long-established company supplying and supporting Agricultural, Turf and Residential machinery from a comprehensive array of partners including John Deere, Kramer, Pottinger, Sumo, Pichon, Shelbourne Reynolds, SKY Agriculture, Teagle, SUMO, Stihl, Husqvarna and many more.

The Group was born after the merger in 2012 between two established family dealerships, Chris Tallis Farm Machinery in Evesham and Alexander and Duncan in Leominster.

Shortly after this the group was joined by LAS in Narberth, South Wales. In 2022 two new depots opened, bringing local support to customers in Shropshire & Llanllwni.

TAG offers customers the best of both worlds. The size of the company allows greater buying power to deliver customers the best value, but still keeping a family business at its heart, so you can expect a personal service and friendly support.
